Spill Control Pallets

Multifunctional Units Improve Productivity, Keep Personnel Safe from Accidental Slips, and Limit Exposure and Clean-up Costs From Hazardous Spills

Gator™ Spill Control Pallets save money at least three ways - greater productivity and efficiency, reduced risk of personal injury from accidental slips and falls, and limited liability exposure of clean-up costs caused by hazardous chemical spills.

Chemical Resistance and Spill Control - Molded of Gator-Tuff UV protected polyethylene, Justrite spill control pallets are nearly impervious to chemical attack from hazardous acids, caustics and solvents, and they resist deterioration from harsh weather conditions. They are the ideal platforms for 30- and 55-gallon drums or other containers stored indoors. Seamless construction eliminates leaks even if a 55-gallon drum fails and completely dumps its contents. The oversized spill sump meets or exceeds the most stringent of spill containment regulations. Self locating grates lift off quickly for clean-up.

Convenience and Ease - A low profile assures convenience and ease of loading. Wide forklift pockets facilitate relocation of loaded pallets. Gray color hides grime and dirt. Keeps your workplace looking clean.

Choose from square or in-line configurations. In-line design is ideal in crowded conditions. Square pallet accommodates four drums. In-line styles are designed for two, three or four drums. Three and four drum in-line models are not forkliftable.

- Safely contain spills
- Comply with 40CFR 264.175 and Uniform Fire Code
- Convenient satellite waste accumulation
- Safe liquid dispensing station
- Battery holding center

EPA = Environmental Protection Agency, UFC = Uniform Fire Code

Specifications

Model No.	Description	Outside Dim. (cm)	Sump Capacity (L)	Load Bearing Capacity (kg)	Ship Wt. (kg)	Compliance
28234	2-Drum, In-Line	49 x 25 x 15.5" (125 x 64 x 39cm)	66 gal. (250L)	2500 lb. (1134kg)	45 lb. (20kg)	EPA, UFC
28703	3-Drum, In-Line	73 x 25 x 11.6" (185 x 64 x 29)	75 gal. (284)	3750 lb. (1701)	85 lb. (39)	EPA, UFC
28704	4-Drum, In-Line	97 x 25 x 9" (246 x 64 x 24)	75 gal. (284)	5000 lb. (2268)	110 lb. (50)	EPA, UFC
28254	4-Drum, Square	49 x 49 x 10.25" (125 x 125 x 26)	72 gal. (273)	5000 lb. (2268)	68 lb. (31)	EPA, UFC
